On that note, Jacob Vannostrand (8.00 usually) was on the winning team in a pre nationals run up tournament in basketball. Pretty amazing!! We really like to share your activities and achievements so tell us about noteworthy stuff. That includes things you have done, seen etc. Camp counselors, music activities, art, sports, places visited etc etc. You are all amazing in your own special way so don't hide your light under a bushel. We like to share pics too!

Pentecost

July, 2018

Wow! Summer is in full swing and that is most evident in how hard it was to do a July schedule! But we got it done and I am so proud of our families for responding to the "away days" email. You have made it possible for us to maintain our commitment to ministry through the summer AND enjoy vacations and travel. We can do this! We are young ministers. And please don't forget that summer is when people move into the area and look for a church home. YOUR work at the altar is a wonderful message to visitors.

All of us at Good Shepherd are blessed by our acolytes and their beautiful servant ministry and we look at you as examples of faithful service. How fine it is that we look to our young people for that example! We know you have busy schedules and sometimes difficult times for some reason but we are here to cheer you on and encourage you to create a space for God in your life so you can experience that special quiet moment at the altar assisting Fr. Bill. It is TRULY special.

Serving at our Lord's Table is a very special and important thing to do and it provides our young people an important role in our worship life. Can you imagine worship at Good Shepherd without our acolytes serving beside Fr. Bill? It just would not be the same. We delight in and enjoy what you do. You add joy and light to the service. You inspire us with your steady, faithful service year-round.

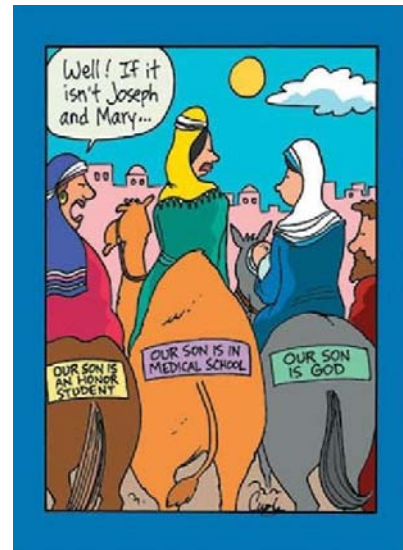

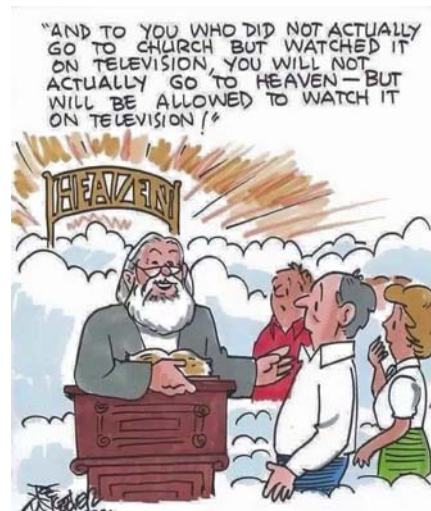

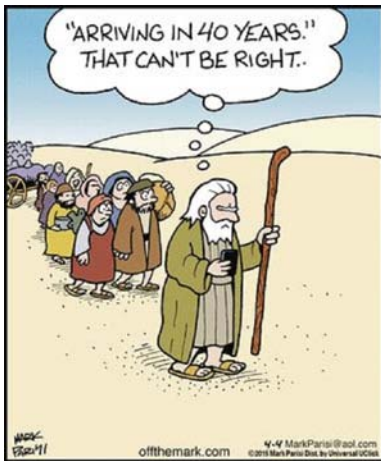

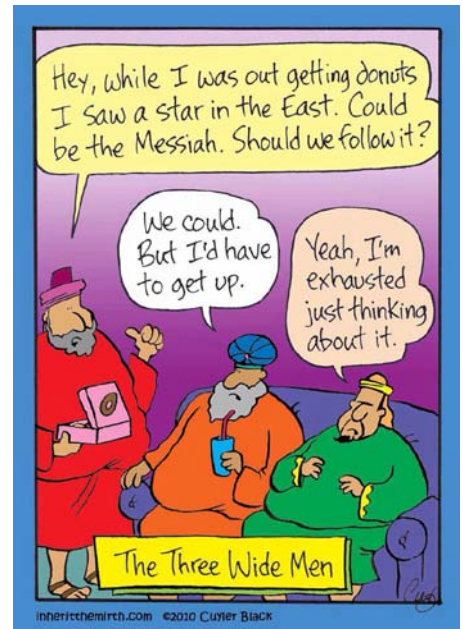

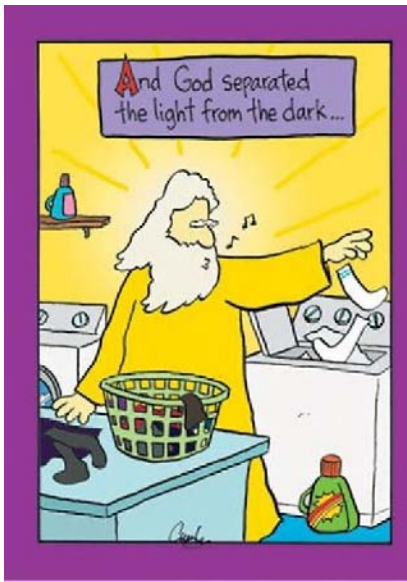

God has blessed our Parish family life together.

Wherever you are this summer, wherever you go, whatever you do we rejoice when you are among us and we miss you when you are away on travels. But it is good to get away to visit family elsewhere or explore new places. When you return we will be excited to see you again and hear about what you have seen and done. Please SHARE your experiences!

*Grace, peace, blessings and a wonderful summer to all of you and your families.
