## Easter season, the Day of Pentecost, Trinity 2024

May

It's hard for me to believe that the school year is almost finished. And during that time we have been through all the seasons of the church year. And, I believe we have finally reached to a more normal rhythm in our lives and ministry. April needed almost ALL of our members to handle the largest demand that could be made with FIVE Sundays plus special services in Holy Week. Our members were really wonderful keeping their schedules, finding subs if needed and being very much on time. This makes our preparation so much more calm and less stressful. THANK YOU everyone for that and especially thank you to our families for "getting their acolyte to church on time!!"

**May 12<sup>th</sup> Mothers' Day.** Mothers are the people who keep our lives glued together in families so we honor them on this day. Moms are amazing!! Bring her to church as a family!

### May 19<sup>th</sup>. Day of Pentecost and Senior Sunday.

It is a wrench to say farewell to our graduates but we are happy for them as we know they are ready to move on to the next phase of their lives. Many of these amazing young people have served the Church and the Parish for up to seven years. But we must say farewell and to thank them for their example of servanthood and steadiness. We will certainly miss them but will always look forward to seeing them when they come home. **Seniors, please be at Senior Sunday so that the parish can honor you and let you know how they feel about your years of loyal service at the altar.** May the Lord Bless them and keep them always.

Nearing the end of school is always a stressful time as schools and other programs try to catch up and cram in the things that need to be achieved and completed. We hope you will all sail through this time calmly and with minimum stress. We will be there at church for you ready to help you along.

And now we celebrate an exciting change ..... we have some NEW SENIOR GUILD MEMBERS!! I know, they are muttering TO THEMSELVES .... "finally!" Let's all celebrate our **new Senior Guild Acolytes:**

***Vera Czubic, Christian Garza, Micah Grier, Sofia Myceli, Piper York, Ellie Wright,***

You have all been very patient and faithful and now it is YOUR time for new duties. We can't wait to see you "take up the cross" to lead us in AND help with remote Communion, serve gluten free, provide leadership to younger members and other special senior duties. You are all MORE than ready.

*Onward troops!!! We THANK GOD for our graduates and all of our serving members.*

*Remember there is One who walks beside you ALWAYS! He knows His own! And they are YOU.*

*With love in Christ from all of us in the Leadership Team. Mr.B.*

### Our 2024 Graduates

Ainsley Dillard  
Scotland Fulton

Izzy Grier

Matt Gomez

Meredith Onyeme

Adam Soto

Lance Vogel

Sam Washburn

Jayce Wright
